

## **Exchange District BIZ – Summer Job Opportunity:**

### **URBAN GREEN TEAM WORKER**

**Period of employment:** May – September 2026

**Classification:** Seasonal / Full-time

#### **POSITION OVERVIEW**

Under the direction of the Maintenance & Beautification Supervisor (MBS), this staff member will provide general maintenance and beautification duties, including graffiti removal, litter control and sidewalk cleanliness, gardening, and setup for special events and initiatives.

The selected individuals will be expected to maintain positive community relations with local businesses and other community members, assist with office and storage area organization and cleanliness, provide status reports to the MBS, and perform other duties as assigned from time to time.

#### **REPORTING**

The Urban Green Team Worker works closely with and reports directly to the Maintenance & Beautification Supervisor (MBS).

#### **REQUIREMENTS**

- Must be physically fit, able and willing to work outdoors and in inclement weather.
- Must be willing to work a flexible schedule, including early shifts, evenings and weekends as necessary.
- Must be able to take direction and work effectively both unsupervised and within a team environment.
- Must be punctual, organized and able to manage time efficiently.
- Must have a positive attitude and a commitment to professional customer service.
- Experience in general outdoor maintenance will be considered an asset.
- Must have a valid Class 5 MB Driver's License with a respectable drivers abstract.
- Ability to lift 50lbs.
